quire, as a test of eligibility, that a kingship. public agent be forbidden to have any allegiance, express or implied, to any committee or coterie. Politiand no officer can trade with the publie. But the law as it now stands does not seem to forbid an officer recognizing a group as his master, and for good reasons or post facto laws are forbidden. So it does not appear, unless he is interested in the manufacture of projudice, why Speaker Sweet is concerned in exploiting a non-pertinent issue before the Assembly Judiciary Committee.

The Fiume Tragedy The Italian Adriatic proposal which Jugo-Slavia rejects was to take the harbors of Fiume and ara free ports under the league of ations, while assuring to the cities hemselves the status of free, selfseverning units; to yield the Dalma-... islands except Lissa and Lussin to Jugo Slavia, while demilitarizing all of them, and to place northern Albania under Jugo-Slav rule, with in Italian mandate in the rest of the country.

These terms involved considerable tacrifice on lary's part. If last May the applicatets of the Croats with of London is, to speak plainly, rubthe parliamentary body. What copy nobody has to annotate the text.
